DONATION FORM

Dear Sponsor,

The Founders of The Douglas Brothers Foundation, Inc. are Harry Douglas and Toney Douglas. They have a passion to consistently give back to their community. The organization's mission is to educate and empower underprivileged youth and families in our community to achieve their life and career goals, while building stronger communities that support the betterment of younger people. The financial goal is to raise \$200,000. In addition to financial assistance, we are requesting books, toys, bicycles and hygiene products. Our events and resources connect with youth and their families to make a positive impact and improve our community. Such events are the Financial Literacy Program which provides youth training and life skills of managing finances and using financial institution resources. The Youth Reading Program provides reading comprehension, personal and public speaking skills. Career Power events prepare teenagers to job search and interview; resume preparation, work ethics and professional etiquette. The Annual Back-to-School Bash event provides school supplies, books and book bags to children. During our Annual Holiday Treat Festival, we provide books, toys and bicycles to many children. Children are excited and look forward to learning and having fun in a loving and positive environment while receiving gifts and resources they always dreamed of having. We need your monetary support, and it makes a difference.

Your donation is deeply appreciated. We are a non-profit 501c (3) tax deductible organization.
